Book 1: How did a man who dropped out of high school end up as one of the world's most influential billionaires? Sir Richard Branson started his first business at 16, and has risen in power and prestige ever since. You might be older than 16, but don't let that stop you from running your own successful company. The business lessons, quotes and inspirational statements listed here – all gleaned from Richard Branson – will not only give you a basic blueprint for success, but will help you pick yourself and your business back up after a failure.

Book 2: Are you looking to start your own business and want to know some of the best tricks and tips for success? Maybe you are just a fan of Donald Trump and want to see what he says about his success and how he got there.

Book 3: Steve Jobs' influence in the world is still being felt after his death. When a consumer picks up the latest iPhone, they are appreciating the design aesthetics of Steve Jobs.

Learn how his business philosophy was formed through a variety of early life experiences, including college, travel and the birth of his children. Explore how his facets of his personal life influenced Apple and various business decisions he made throughout his life.
