## Step by Step LASIK Surgery FRANZCO Laurence Sullivan MBBS

The simple step-by-step approach chosen by the editors is very different to the existing titles available, in that the necessary basics of laser in situ keratectomy (LASIK) are discussed in detail for the neophyte. Many other excellent books exist for those with experience, yet there is a lack of publications for those just beginning to work with LASIK. Experts from around the world have contributed their practical experience so as to aid the readers of this book. The width and diversity of LASIK applications is vast, yet the apposite conciseness of this text provides all ophthalmologists with a good start in refractive surgery.
