A Paragraph History of the United States From the Discovery of the Continent to the Present Time: With Brief Notes on Contemporaneous Events, Chronologically Arranged (Classic Reprint) Edward Abbott

Excerpt from A Paragraph History of the United States From the Discovery of the Continent to the Present Time: With Brief Notes on Contemporaneous Events, Chronologically Arranged

This little book is intended for the use of those Americans who, at this centennial period, wish to refresh their memories as to some main facts in their country's history, and have only a few moments to do it in. The essential service of larger and fuller works, it does not pretend to render. Nor does it profess to name every event, or to mention every date, which belongs to the national growth; but only a few that are chief. It simply presents a skeleton of American history, with perhaps some bones missing at that; all the flesh for which must be found by other reading.

The brief notes in contemporaneous history which lie along the margin of the text will, it is hoped, be serviceable to the reader in furnishing something of a background. It will be noticed that the names of eminent persons are accompanied by two dates.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
