Bundle - Snowy Fate, Sarah's Fate and Mason's Fate

Snowy Fate

Fate always knows when you're ready for love.

The past is catching up with Aspyn Layton. The father she never knew passed away and she is left to deal with his estate. An unexpected snowstorm has her stranded at the one place she didn't want to be—her father's house—with a naked man.

Damon Andrews has a secret, one he shared with Aspyn's father. He must convince Aspyn there is more to life than what she knows. How will she react when she finds out he is a mountain lion, and she is his mate? Their fates are intertwined.

Sarah's Fate

Sarah McMillan's life came crashing down when her parents died. Moving across country, she's determined to pull the pieces together and get on with her life. But when a man steps into her path, all her plans may have been for nothing.

Josh Andrews spent years searching for his mate, only to find her when he least expects it. Fate brings him Sarah, someone who needs him more than he'd thought he'd needed her. But convincing her to be his mate and start a new life might be harder than the journey to find her.

Can Josh convince Sarah to let him in? Or will the fact he is a mountain lion destroy what they could have had?

Mason's Fate

Still recovering from his last mission in Afghanistan, Mason Andrews has returned home to civilian life with a heavy heart and blood on his hands. Though he'd rather lock himself away and heal on his own, his family has a different idea—bringing him out of his comfort zone and into a place where healing is his only option. But when he finally gives in, he finds that there's more for him than just his thoughts and pain—there's her.

After breaking down on a deserted road with her sick infant, Tiffany Tyler is at her wit's end. All she wants is to be back in the comfort of her own home, away from judging eyes. Mason, whose eyes hold more pain and memories than she thought possible, steps out of the shadows to her rescue.

Can Mason and Tiffany accept each other's baggage and embrace the fate that they are destined for?
