Though cosmetic breast surgery is most commonly an elective procedure, it is an important, irreversible decision that demands careful consideration. In *Cosmetic Breast Surgery*, distinguished plastic surgeon Robert M. Freund—who has worked on the breasts of thousands of women in his private and public New York City practices—offers clear explanations and sensitive advice for women curious about having their breasts enlarged, reduced, or lifted. In a factual, conversational tone, Dr. Freund—recently named one of New York's leading plastic surgeons by *New York* magazine—candidly discusses all of the risks and rewards involved, different operating procedures and options, the right and wrong reasons to have surgery, choosing the right surgeon, pre- and postoperative care, and what to do if a procedure goes wrong. Written with a woman's best interest in mind, *Cosmetic Breast Surgery* provides photographs throughout and is essential reading for all women considering breast surgery.
