I'm Dougal Trump . . . And It's Not My Fault! Jackie Marchant

A laugh-out-loud series about a boy who is a bigger trouble magnet than Bart Simpson and Dennis the Menace stuck together

I, Dougal Trump, am dead. Ok, I'm not actually dead, but if I'm not very careful, I soon will be. In this first book, sports-loving Dougal Trump finds himself at risk from the mysterious creature living in the backyard shed. Nobody believes him but as a precaution, he sets upon writing his will—rewarding those who help him, disinheriting those who get on his bad side, and fielding constant pleas from friends and associates ("Cool will, Dougie! Can I have your playstation? —George") Meanwhile, as limbs and windows alike are broken by rogue soccer balls and unhinged canines, Dougal finds himself in all sorts of trouble.
