Our new course space, LaunchPad, combines an interactive e-book with high-quality multimedia **content** and ready-made assessment options, including **LearningCurve** adaptive quizzing. Curated pre-built units are **easy to assign or adapt** with your own material, such as video, animations, simulations, readings, quizzes, discussion groups and more. LaunchPad also provides access to **a gradebook** that provide a clear window on performance for your whole class, for individual students, and for individual assignments. While a **streamlined interface** helps students focus on what's due next, social commenting tools let them **engage**, make connections, and learn from each other. Use LaunchPad on its own or integrate it with your school's learning management system so your class is always on the same page.
