Nothing Ever Dies: Vietnam and the Memory of War Viet Thanh Nguyen

All wars are fought twice, the first time on the battlefield, the second time in memory. From the author of the bestselling novel *The Sympathizer* comes a searching exploration of the conflict Americans call the Vietnam War and Vietnamese call the American War—a conflict that lives on in the collective memory of both nations.

From a kaleidoscope of cultural forms—novels, memoirs, cemeteries, monuments, films, photography, museum exhibits, video games, souvenirs, and more—*Nothing Ever Dies* brings a comprehensive vision of the war into sharp focus. At stake are ethical questions about how the war should be remembered by participants that include not only Americans and Vietnamese but also Laotians, Cambodians, South Koreans, and Southeast Asian Americans. Too often, memorials valorize the experience of one’s own people above all else, honoring their sacrifices while demonizing the “enemy”—or, most often, ignoring combatants and civilians on the other side altogether. Visiting sites across the United States, Southeast Asia, and Korea, Viet Thanh Nguyen provides penetrating interpretations of the way memories of the war help to enable future wars or struggle to prevent them.

Drawing from this war, Nguyen offers a lesson for all wars by calling on us to recognize not only our shared humanity but our ever-present inhumanity. This is the only path to reconciliation with our foes, and with ourselves. Without reconciliation, war’s truth will be impossible to remember, and war’s trauma impossible to forget.

Patrick Leon:

This Nothing Ever Dies: Vietnam and the Memory of War is great reserve for you because the content that is full of information for you who also always deal with world and also have to make decision every minute. This specific book reveal it facts accurately using great arrange word or we can state no rambling sentences inside. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but hard core information with lovely delivering sentences. Having Nothing Ever Dies: Vietnam and the Memory of War in your hand like obtaining the world in your arm, info in it is not ridiculous a single. We can say that no reserve that offer you world inside ten or fifteen second right but this e-book already do that. So , this is certainly good reading book. Hey Mr. and Mrs. active do you still doubt in which?

Joyce Hynes:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we

know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Nothing Ever Dies: Vietnam and the Memory of War can make you really feel more interested to read.
