**The Dark Side of the Supernatural** Bill Myers, David Wimbish  
Exposing the Dangers of the Supernatural World  
**A Powerful Tool for Discerning What Is of God and What Isn't**

When was the last time you saw an alien? Or a witch or vampire? Maybe they were just on television or in the movies but chances are it hasn't been very long at all. While books and magazines explore the spiritual realms and spin tales of angel encounters and conversations with the dead, the cinema and television are overrun with creatures from the world of the supernatural. The occult and the paranormal have become very visible topics and have captured the fascination of many. Such interest however is dangerous if you approach this realm without a solid grounding in scripture.

In *The Dark Side of the Supernatural*, respected authors Bill Myers and David Wimbish provide a "one-stop center for the biblical response to things such as:

UFO's, second sight, and near-death experiences. Ouija boards and fantasy games Yoga, shamanism, angel encounters, and many others.

A harrowing book filled with groundbreaking research and startling true-life experiences, *The Dark Side of the Supernatural* clearly divides between what is of God in the supernatural and what is a clever counterfeit.

More than ever we require an informed and godly response to the New Age and occult teachings which are rampant in our society. This comprehensive and thorough book is a much-needed guide for you to evangelize the unsaved millions lost to the lies of the occult. It's focus never deviates from the truth that God is more powerful than any evil and is a powerful testimony to the freedom that comes from leaving the occult to follow Jesus. Knowledge of the truth and assurance of God's word are your best lines of defense when faced with the onslaught of media messages and societal influences regarding the supernatural. As one television shows states, "The truth is out there," and this book will help you separate it from the glut of lies that comes our way.
