## **Unfinished Business (Savannah Martin Mysteries) (Volume 10)** Jenna Bennett

When realtor and recovering Southern Belle Savannah Martin wakes up alone on what is supposed to be her wedding day, she isn't sure what to think. Did her fiancé—bad-boy TBI agent Rafe Collier—decide he couldn't face being shackled to one woman for the rest of his life... or is something more sinister going on?

Savannah's mother Margaret Anne, in Nashville for the nuptials, is certain she knows the truth: her future son-in-law has always been an ill-bred cad, and leaving his pregnant girlfriend practically at the altar clinches it. But the people who know Rafe aren't so sure. Wendell Craig with the TBI and Tamara Grimaldi with the Metro Nashville PD suspect foul play, and set out to prove it.

Shortly, a dead woman turns up in Savannah's house. Rafe's son David goes missing from church camp on the Cumberland Plateau. And a shadowy figure from Rafe's past is stalking them all—a knife-wielding serial killer who likes to hurt women, and who has a score to settle.

Now Savannah must solve the murder, find David, and avoid getting herself killed... or she can kiss her happy ending—and Rafe—goodbye.
