## **Pregnant and alone, who would want her now?**

Her perfect life had turned to shit in an instant; Gina could practically see the cartoon dust cloud trailing behind him as her ex-fiancé ran for the hills at the first mention of a baby. Even the prospect of beginning her new internship at Birch Industries failed to excite her now. That is, until the scandalously sexy CEO, Donovan Birch takes an interest in her.

*What could he possibly see in me?* That question tears through her fantasies, but as illogical as it seems, she just can't shake the feeling that the handsome older man is interested in more than just her professional abilities...

**This is a steamy standalone story with a HEA ending. For Adults Only.**

*For a limited time only, this book includes several bonus stories!*
