Big Words for Little Kids: Step-by-Step Advanced Vocabulary Building Charan Langton, Michael Levin MD

Designed to introduce elementary school children to common Greek and Latin prefixes, suffixes, and roots, this vocabulary primer promotes the understanding of word structure and meaning rather than the tedious memorization of long word lists. Each lesson introduces a new word part, featuring examples of new words with explanations that children can understand. Light informative vignettes, quizzes, and practical exercises support each lesson.
