Doubled Up (An Imogene Museum Mystery) Jerusha Jones

Museum curator Meredith Morehouse stumbles upon the remnants of a stolen shipment of scary-looking wood figurines, but she can't tell if they are smuggled national treasures or clever fakes.

While Meredith is sucked into the secret federal probe of the fishy figurines and their importer, her ex-fiancé—a man so annoyingly arrogant he could easily drive someone to murder—returns for another round of marriage proposals, and he won't take no for an answer. Just when her friendship with tugboat captain Pete Sills might be heating up...What's a girl to do?

Revised edition: This edition of *Doubled Up* includes editorial revisions.
