Earthen Vessels: Why Our Bodies Matter to Our Faith Matthew Lee Anderson

Our bodies matter. Christians today sometimes forget this, dangerously ignoring the importance of their physical selves when it comes to technology, sexuality, worship, and even death. Anderson's book will help readers learn what the Bible says about our bodies and grow to appreciate the importance of embodiment in our spiritual lives. It will also explore generational differences when it comes to how we perceive and use our bodies. Just as Christ's body was crucial to our salvation, our own bodies are an important part of the complete Christian life.
