## He needed a killer woman...

Blaine Underhill is one lucky man after having recently escaped a century and a half of imprisonment at the hands of an evil witch. Now he's determined to save his still-enslaved friend, but in order to do so, he'll need the help of one of the world's most lethal women.

## She was drop dead gorgeous, literally...

Trinity Harpswell is sick and tired of being a Black Widow. Having managed to go three years without accidentally killing anyone she loves, she's one short week away from freeing herself from this killer curse forever.

When Blaine tracks her down and convinces her to help him, little does Trinity know that the next seven days are going to be murder!
