The love between a human and a Morgon, the dragon-hybrid race, tempts fate once more...

All her life, Ella Barrow has allowed others to make her decisions. Forced to stifle her artistic talents and stay in a loveless relationship with Clayton Kerrington, the man her mother believes to be her perfect match, Ella's life may be safe—but it's not her own. Paxon Nightwing, on the other hand, is anything but the safe choice.

A charming and alluring Morgon, Paxon sees Ella for the woman she truly is. His bold confidence and protective nature ignites a passion she's never felt before. But a dark family tragedy forces their secrecy—until Clayton makes it impossible to hide their clandestine affair. Will Ella be strong enough to fight for herself at last? Or will she succumb once more and risk losing the only man she's ever loved?
