Lincoln P. Paine

Warships of the World to 1900 Lincoln P. Paine

Lincoln P. Paine's SHIPS OF THE WORLD: AN HISTORICAL HISTORICAL ENCYCLOPEDIA was honored as one of the best reference books of the year by the New York Public Library, and Library Journal described it as "clearly the most fascinating book of the year." Now, in two equally fascinating new books, Paine focuses on two of the most interesting areas of maritime history: WARSHIPS OF THE WORLD TO 1900 and SHIPS OF DISCOVERY AND EXPLORATION.

WARSHIPS OF THE WORLD TO 1900 traces the history of naval warfare through the stories of more than two hundred of the most famous and important fighting ships, from the earliest triremes and Viking longships to the Mary Rose, Wasa, Bonhomme Richard, HMS Victory, USS Constitution, USS Monitor, and Mikasa. Each ship is described in a vivid short essay that captures its personality as well as its physical characteristics, construction, and history, from the drawing board to the scrap yard or museum. Paintings and photographs show the grandeur and grace of these vessels that helped shape world events. An introductory essay, maps, and a chronology offer the reader a global perspective on the course of naval history from antiquity to the present.
