Cal: A Novel Bernard MacLaverty

"Bernard MacLaverty's powerful novel is a love story as affecting and tragic as you could want."?USA Today

When it was first published, Bernard MacLaverty's fiction masterpiece was hailed by Michael Gorra in the *New York Times Book Review* as "a marvel of technical perfection. . . . Cal is a most moving novel whose emotional impact is grounded in a complete avoidance of sentimentality. . . . [It] will become the *Passage to India of the Troubles*."

For Cal, a Belfast teenager who, against his will, is involved in the terrible war between Catholics and Protestants, some of the choices are devastatingly simple: he can work in the slaughterhouse that nauseates him or join the dole queue; he can brood on his past or plan a future with the beautiful, widowed Marcella for whose grief he shares more than a little responsibility.
