Honor, integrity, and loyalty are how Deputy US Marshal Creed Sinacola lives his life. A former SEAL now employed by the Special Operations Group of the US Marshal Service, Creed spent most of his life working covert operations and avoiding relationships. Never one to mix business with pleasure, his boundaries blur and his convictions are put to the test when he finally comes face-to-face with the hot computer geek he's been partnered with. Hell-bent on closing the ongoing case for his longtime friend, he pushes past his own limits and uncovers more than he expects. Aaron Stuart strives for one thing: justice. Young and full of idealism, his highly sought after computer skills land him a position with the National Security Agency. Aaron's biggest hazard at his job is cramped fingers, but all that changes when he is drawn into the middle of a dangerous federal investigation. Aaron gets more than he bargained for when the FBI partners him with a handsome and tempting deputy US marshal. His attraction to the inked up, dark-haired man provides another kind of threat altogether. Aaron tries desperately to place a firewall around his heart and fight his developing feelings, knowing one misstep on his part could ultimately destroy him. The solution isn't as easy as solving the case, which is treacherous enough as it is. But the growing sexual attraction between them threatens to derail more than just Creed's personal convictions as he quickly learns temptation and matters of the heart rarely fit easily into the rules he's lived by. Will Creed be able to convince Aaron to open his heart and face the fact that sometimes the answers aren't always hidden in code?
