In an increasingly cynical world, GBTP emphasizes that politics matters and encourages, motivates, and even inspires students—with accounts of individual and collective acts of courageousness, intellect, and integrity in the political arena—to be effective and informed citizens.

With each chapter now framed by nationally-selected learning objectives and chapter mastery self-tests, several compelling new features, and an all new contemporary design, this thoroughly updated Twenty-Third Edition continues in the book's long tradition for excellence. The National, State, and Local Edition includes the exact same coverage as the National version, but with additional chapters devoted to State & Local Politics. As we enter this very complex political era, there is no more reliable or more relevant text to help you advance your students from being simple onlookers to knowledgeable participants in the American political experience.
