A widow, Camille Young, wants nothing more but to have someone to call her own; with the right man of course. Just when she thinks she found him in Greg Langston - a smart, sexy, and brilliant attorney - who is very married and expecting his first child with his wife, Michelle, their future gets put on hold. When things don't go Camille's way as she hoped, the pain of her past resurfaces. Camille has a plan that will affect everyone around her. When Greg's wife is targeted, Greg turns to Camille for answers. Was this part of her plan?...Suddenly, Greg finds himself in a situation with a woman who will stop at nothing to make him her own, even if it means destroying his family and her own life. Camille's entire world seems to unravel as she spirals out of control, not letting anything or anyone get in her way. Someone To Call My Own is a compelling story of lies, desperation, betrayal, and the consequences that follow when an encounter with the wrong woman has a man fighting to save the lives of the ones he love.
