Hi. I've written a few descriptions for this piece and haven't been able to adequately put forth what this story is all about. Mostly because, in my heart, I don't want to. I like the concept of calculated risk in life. My idea is that if you can't take a risk on a book then what can you take a risk on? I'm asking you, dear person, to take a chance on my story. Whether you like it or not is irrelevant to me. I just want to speak to you and hopefully start a conversation. Thank you Be blessed Dwayne
