“That was all before...” Jenna waves her hand in the air, but we both know what she means. Before I touched her in the most intimate places. Before I felt her shudder under my tongue. Before she tasted the salt on my skin. Before I promised a lot more than I could deliver. Ty Branch has wanted one thing his entire life—to play professional baseball. When he gets a chance to move from San Francisco to play at Texas powerhouse Garvin State University, he's willing to do whatever it takes to make his dream come true, even if that means hiding his past. But when he meets dance major Jenna Taylor, the chemistry is so strong his single-minded quest begins to weaken. As he gets to know her quirky, small-town family, he falls more deeply in love, but becomes even more sure he can never tell her the truth about his family. When a surprise visitor blows his past wide-open, Ty is forced to come to terms with his secrets. But is the damage already done with Jenna or can he find a way to sacrifice everything he's worked for in order to win back the heart of a once-in-a-lifetime love?
