What are silver solutions? How do they work? Which type is best? How do I use it?

All of these questions are answered by world-renowned expert and silver researcher Dr. Gordon Pedersen. Dr. Pedersen goes into great detail in this book explaining how the most effective silver solutions work and the latest in silver technology. In addition you'll find an A-Z listing of protocols for using silver with various conditions. Also included in this new edition are sections specifically on women's health issues and using silver with animals and pets.

"Four out of every ten women ask about, or inform their physicians that they take alternative medications. Physicians must take note and be informed. Information must come from persons who are trained, knowledgeable, credentialed and of exceptional integrity. Dr. Pedersen epitomizes all of that and is personally responsible for my enlightenment in the field of complimentary medicine. Read and experience a ray of sunshine for your patients and yourself in these trying times of medicine."

- Dr. Barry S May, MD, Gynecology, FACOG
