*A fate as unavoidable as love itself...*

After spending the last four years trapped in a place of monsters, demons, and magick, the last thing the fierce teenage bounty hunter Greta expected was to ever be back on Earth. But a rare opportunity gives her and the Goblin King Isaac the opportunity to do just that. Now she's home. With a boy in tow. And her parents have lots of questions.

Although Greta finally has her heart's deepest wish—to see her family again—every step she takes to reconnect with them drives her further away from Isaac. Greta and Isaac planned for her to return to Mylena and become his queen, but she's not sure if she can go back to that harsh world, though staying on Earth means giving up the boy she loves.

But a powerful enemy refuses to let Greta escape. A demon who will stop at nothing to destroy her and everything she loves. Even if it means following her to Earth and forcing her to face a fate as unavoidable as love itself.
