You can count on Rick Steves to tell you what you *really* need to know when traveling in Normandy.

Rick Steves and Steve Smith cover the essentials of Normandy, including Rouen, Honfleur, Bayeux, Mont St. Michel, and Dinan. Visit the Big Clock in Rouen that dates back to the Renaissance, or cross the causeway towards Mont St. Michel. You'll get Rick's firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket.

Rick Steves Snapshot guides consist of excerpted chapters from Rick Steves European country guidebooks. Snapshot guides are a great choice for travelers visiting a specific city or region, rather than multiple European destinations. These slim guides offer all of Rick's up-to-date advice on what sights are worth your time and money. They include good-value hotel and restaurant recommendations, with no introductory information (such as overall trip planning, when to go, and travel practicalities).

From reader reviews:

Michael Roberts:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to understand everything in the world. Each guide has different aim or goal; it means that e-book has different type. Some people truly feel enjoy to spend their time and energy to read a book. They can be reading whatever they consider because their hobby will be reading a book. Think about the person who don't like reading through a book? Sometime, particular person feel need book once they found difficult problem as well as exercise. Well, probably you'll have this Rick Steves Snapshot Normandy.

Kimberly Spradlin:

Nowadays reading books become more than want or need but also be a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The data you get based on what kind of e-book you read, if you want drive more knowledge just go with training books but if you want really feel happy read one with theme for entertaining including comic or novel. Often the Rick Steves Snapshot Normandy is kind of guide which is giving the reader erratic experience.

William Evans:

Reading a e-book can be one of a lot of task that everyone in the world likes. Do you like reading book thus. There are a lot of reasons why people like it. First reading a guide will give you a lot of new info. When you read a publication you will get new information because book is one of a number of ways to share the information as well as their idea. Second, examining a book will make you actually more imaginative. When you studying a book especially fictional book the author will bring someone to imagine the story how the figures do it anything. Third, it is possible to share your knowledge to others. When you read this Rick Steves Snapshot Normandy, you may tells your family, friends along with soon about yours publication. Your knowledge can inspire different ones, make them reading a e-book.

James Hanson:

Playing with family inside a park, coming to see the sea world or hanging out with pals is thing that usually you could have done when you have spare time, in that case why you don't try matter that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Rick Steves Snapshot Normandy, it is possible to enjoy both. It is fine combination right, you still would like to miss it? What kind of hang-out type is it? Oh can happen its mind hangout men. What? Still don't buy it, oh come on its identified as reading friends.
