## **Los miserables (Novela (edhasa)) (Spanish Edition)** Victor Hugo

Jean Valjean, un exconvicto al que encerraron durante veinte años por robar un pedazo de pan, se convierte en un hombre ejemplar que lucha contra la miseria y la injusticia y que empeña su vida en cuidar a la hija de una mujer que ha debido prostituirse para salvar a la niña. Así, Jean Valjean se ve obligado a cambiar varias veces de nombres, es apresado, se fuga y reaparece. Al mismo tiempo, debe eludir al comisario Javert, un policía inflexible que lo persigue convencido de que tiene cuentas pendientes con la justicia. El enfrentamiento entre ambos se produce durante las revueltas de 1832 en París, donde, en las barricadas, un grupo de jóvenes idealistas planta cara al ejército en defensa de la libertad. Y, entre todo ello, historias de amor, de sacrificio, de redención, de amistad,...

Por que el progreso, la ley, el alma, Dios, la Revolución francesa, la prisión, el contrato social, el crimen, las cloacas de París, el idilio amoroso, el maltrato, la pobreza, la justicia... todo tiene cabida en la más extensa y famosa obra de Víctor Hugo, Los miserables. Magistral crónica de la historia de Francia en la primera mitad del XIX, desde Waterloo hasta las barricadas de 1848, Víctor Hugo buscó voluntariamente con Los miserables un género literario a la medida del hombre y del mundo moderno, una novela total. No en balde, concluye así: «... mientras haya en la tierra ignorancia y miseria, libros como éste podrían no ser inútiles».

- Por fin una traducción íntegra y revisada a partir del original francés del siglo XXI

### From reader reviews:

#### Colleen Holden:

Have you spare time for the day? What do you do when you have more or little spare time? Yes, you can choose the suitable activity with regard to spend your time. Any person spent all their spare time to take a stroll, shopping, or went to the Mall. How about open or even read a book eligible Los miserables (Novela (edhasa)) (Spanish Edition)? Maybe it is to get best activity for you. You know beside you can spend your time with the favorite's book, you can cleverer than before. Do you agree with it is opinion or you have other opinion?

#### Donna Layne:

The book Los miserables (Novela (edhasa)) (Spanish Edition) can give more knowledge and information about everything you want. So just why must we leave the best thing like a book Los miserables (Novela (edhasa)) (Spanish Edition)? Wide variety you have a different opinion about book. But one aim that will book can give many information for us. It is absolutely proper. Right now, try to closer along with your book. Knowledge or facts that you take for that, you could give for each other; you can share all of these. Book Los miserables (Novela (edhasa)) (Spanish Edition) has simple shape but you know: it has great and massive function for you. You can search the enormous world by wide open and read a book. So it is very wonderful.

#### Jessie Davis:

Information is provisions for people to get better life, information these days can get by anyone from everywhere. The information can be a knowledge or any news even a problem. What people must be consider while those information which is inside former life are challenging to be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you have the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Los miserables (Novela (edhasa)) (Spanish Edition) as your daily resource information.

#### Carlton Little:

Reading a reserve tends to be new life style in this particular era globalization. With looking at you can get a lot of information that can give you benefit in your life. Using book everyone in this world could share their idea. Guides can also inspire a lot of people. Many author can inspire their own reader with their story or their experience. Not only the storyline that share in the textbooks. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on earth always try to improve their skill in writing, they also doing some research before they write to their book. One of them is this Los miserables (Novela (edhasa)) (Spanish Edition).
