The Night (Spanish Edition)

Rodrigo Blanco Calderón

The Night (Spanish Edition) Rodrigo Blanco Calderón

Una fábula sobre la Venezuela de hoy, por Rodrigo Blanco Calderón, el autor revelación en la literatura latinoamericana de los últimos años.

«Estoy convencido de que todo el mal del mundo empieza en ellas. En las palabras.»

Caracas 2010. La crisis energética es aprovechada por el gobierno revolucionario para decretar cortes eléctricos que, durante horas, funden a negro todo el país. En esos lapsos de tiempo, Venezuela parece retroceder en la historia hacia una nueva Edad de Piedra que se filtra por todas las rendijas. En medio de esta atmósfera, dos amigos, un escritor frustrado y un psiquiatra acostumbrado a involucrarse en la vida de sus pacientes, conversan sobre una serie de crímenes ocurridos en el último año.

Pedro Álamo, otro de los personajes de esta novela polifónica, busca obsesivamente en los juegos de palabras -los que crea y los que sueña de su admirado Darío Lancini-la clave para entender el desquiciado mundo en el que vive. Como si buscara convertir la realidad en algo diferente cambiando el orden de los elementos que la forman, intentando encontrar así su exacto significado.

Literatura, rock, sueños, violencia, política, amor, ausencias y miedos se entremezclan en la mente de los protagonistas. Abren laberintos, crean encrucijadas y producen cortocircuitos vitales. Con esta historia en la que todo parece caminar al borde del delirio. Donde la Venezuela actual se ve reflejada en un espejo atravesado por sombras apocalípticas y sus habitantes se enfrentan al destino que les aguarda inexorable; sea este el cumplimiento de sus obsesiones o la muerte.

Reseña:

«En *The Night*, Rodrigo Blanco Calderón convierte la gravísima situación de Venezuela en una impresionante metáfora de nuestro mundo contemporáneo; un mundo desorientado, desigual y violento que busca aun, entre las ruinas del siglo XX, el camino hacia un futuro que no llega.»

Gustavo Guerrero, editor de Gallimard

Sobre el autor se ha dicho...

«Utiliza recursos de ironía, parodia, juegos de lenguaje. Ofrece una lectura profunda donde explora la escritura y el dilema de la creación.»

Jurado del Concurso de Cuentos de *El Nacional*

«Al leer los relatos de Rodrigo Blanco Calderón uno alberga la nostalgia por esos días ya remotos en que uno leía por leer; en que uno leía porque se le antojaba y lo que se le antojaba, al punto de desarrollar una fruición por la literatura que cualquiera asociaría a una adicción.»

El Mundo, Venezuela
