Demons, shifters, zombies: You don't have to go to hell, but you can't stay here. . .

### **It's Last Call On Earth.**

Rebekah "Beck" Damian runs a demonoid bar where everyone's welcome--even a reformed flesheater who's strictly vegetarian, a musical ghost who's looking for a piano bar, and a feline harbinger of doom named Wampus Kitty who's scaring the customers. So when a big strapping demon-hunter walks into the bar, Beck knows it's not the end of the world. She'll treat him like any other customer. If only she could. Conall Dalvahni is the toughest, meanest, sexiest demon-hunter Beck's ever seen--and she's finding it awful hard to hide her attraction. As far as Conall's concerned, the feeling is mutual. But how can he trust a beautiful half-demon babe like Beck--when her demonic friends have the perfect weapon to destroy every hunter on earth? With all the sparks flying between Beck and Conall, it's hard to tell who's the predator and who's the prey. Either way, love is hell--and impossible to resist. . .

"A genuinely funny new voice in paranormal romance." --*Publishers Weekly*
