Come to the Garden: A Novel Jennifer Wilder Morgan

A novel based on true experiences, *Come to the Garden* is a story about a woman's journey with a mysterious angel that encourages readers to believe heaven is closer than they think.

Years ago, author Jennifer Wilder Morgan served as a hospital volunteer, visiting critically ill patients—praying with them and listening to their stories. As she created a safe space for those of all faiths and backgrounds, patients began confiding in Morgan about the mysterious ways God speaks to them—including encounters with angels, visions of loved ones who've passed on, and messages of comfort spoken in dreams. She witnessed the profound healing that occurs when people are permitted to talk about these experiences, and as a result, Morgan was inspired to share her own personal encounters with God in a novel.

In *Come to the Garden*, the main character Jenn wakes up on her birthday to find an angel introducing herself as Margaret in the backyard garden. Lately Jenn has been struggling to make sense of the mysterious ways God has been speaking to her and is trying to understand what he wants her to know. The angel takes Jenn back through her memories and life experiences, revealing how God has been connecting with her all along. Under the angel's guidance, Jenn finally understands the messages God has been speaking to her, in her dreams, divine promptings, and unexplained coincidences. It becomes clear that God is a faithful and persistent pursuer of the human heart.

Framed as a series of conversations between Jenn and her guardian angel, this unconventional and charming narrative will strike deep into the hearts of anyone seeking a greater understanding of God. *Come to the Garden* is an inspirational fictional story about the surprising ways God works in our lives and affirms that heaven is truly closer than we think.
