Face Values: The Foundation of Beauty Deida K. Massey

Face Values - The Foundation of Beauty is an unparalleled read about knowing who you are as it relates to self-esteem, self-worth, and fortifying your confidence. With 10 years of mentorship under her belt, Deida Massey shares transparent experiences, both personal and professional, of her own challenges with self-esteem along with beauty tips from her 16-year career as a celebrity makeup artist. Face Values will take readers on a journey of self-exploration as the foundation of truth and beauty. Massey teaches young women that you are what you believe and you are what GOD says that you are, “beautifully and wonderfully made.” If you choose to believe what GOD says about beauty, then society’s definition pales in comparison. But, if you allow society to dictate what it means to be beautiful, you will never feel secure within yourself. Massey weaves her own life story into Face Values with the passion and purpose of a true artist. She is the founder and CEO of Reel Beauty, Inc. a non-profit organization committed to helping young women discover their own beauty, inside and out.
