Using print and broadcast advertising, he built his business by an average of 81% a year for eight years. Then in 2007 the economy crashed, and his business suffered (just like all the rest of us).

*Who is Claude Whitacre?*

Claude discovered local online marketing. After three years of trying social media, Pay Per Click ads, and wasting thousands of dollars on what the Guru's taught, Claude finally cracked the code.

Now, his local business is still growing, and his only advertising is now online..and it's free.

In 2011 Claude Started **Local Profit Geysers**, to help small business owners fight back the big box stores and online giants that are taking their business. Claude is also author of the book **The Unfair Advantage Small Business Advertising Manual**.
