The Alphabet Room Sara Pinto

Starting with the simplest images-apples for A, bowls for B, cat for C-Sara Pinto has taken a magical leap in the concept of alphabet books. Each letter has a door, and behind each door the objects arrange and rearrange themselves so that with every letter the picture becomes more complex. Letter by letter, magical scenes unfold inside the room. With gentle humor and charming design, this lift-the-flap alphabet book transcends the genre to offer something truly unique.
