The Best of Edward Abbey

The Best of Edward Abbey

This is the only major collection of Abbey's writings compiled by the author himself: in his own words, "to present what I think is both the best and most representative of my writing—so far." It serves up a rich feast of fiction and prose by the singular American writer whom Larry McMurtry called "the Thoreau of the American West."

Devoted Abbey fans along with readers just discovering his work will find a mother lode of treasures here: generous chunks of his best novels, including *The Brave Cowboy*, *Black Sun*, and his classic *The Monkey Wrench Gang*; and more than a score of his evocative, passionate, trenchant essays—a genre in which he produced acknowledged masterpieces such as *Desert Solitaire*. Scattered throughout are the author's own petroglyph-style sketches.

This new edition adds selections from work that appeared shortly before Abbey's death: a chapter from *Hayduke Lives!*, the hilarious sequel to *The Monkey Wrench Gang*; excerpts from his revealing journals; and examples of his poetry. A new foreword by Doug Peacock—Abbey's close friend and the model for the flamboyant activist Hayduke—offers a fond appreciation of this larger-than-life figure in American letters.
