The Tesseract Alex Garland

An intricately woven, suspenseful novel of psychological and political intrigue, *The Tesseract* follows the interlocking fates of three sets of characters in the Philippines: gangsters in a chase through the streets of Manila; a middle-class mother putting her children to bed in the suburbs and remembering her first love; and a couple of street kids and the wealthy psychiatrist who is studying their dreams. Alex Garland demonstrates the range of his extraordinary talents as a novelist in this national bestseller, a Chinese puzzle of a novel about three intersecting sets of characters in the Philippines.
